Art Wrapped in Tradition

Materials for 2D Tanjore Paintings

Materials for Kalamkari Tree of Life **0**

Materials Info 1

Must Haves before First Live class: 1

Misc items for Everyone 1

Material List 2

Materials Info

Most materials can be sourced at Amazon or Micheal's. These are my preferred stores.

I prefer ARTIST quality materials for my paintings and projects, primarily I wish for them to survive years without losing the original quality. A lot of research goes into streamlining the materials. I buy and test a bunch of different brands before I land on a certain kind that works well for me.

In the course of this workshop, please explore to see if something else works for you.

Must Haves before First Live class:

This is a quick list of items you will need before the class starts. Please don't scramble to buy everything.

1. 8.5 x 11 plain paper
2. Pencil, eraser

Misc items for Everyone

Have these handy when you start the Main painting

1. Rag or paper towel (for painting)
2. Playlist of your choice

Material List

This is your PRACTICE supply list and contains the best options I use everyday.

1. Paint Brush https://link.amazon/B07i2UYxr
   Real squirrel hair, these brushes are an investment if you wish to continue this journey

2. Liner Brush https://link.amazon/B0gqGiq3M
   For outlining and fine detail work, these brushes are amazing to use. I use them for Kerala Mural paintings also

3. Turner Acrylic Gouache paints https://link.amazon/B021Xzr2Z
   Gouache Paints you will love, they are highly pigmented and have the best velvety smooth output.

4. Hotpress Watercolor Paper https://link.amazon/B0iMXBxsM
   Hot press watercolor papers are smooth and they have the exact texture you need for mimicking the tanjore painting boards. A good practice paper you get 50 sheets in one book.

5. GOLD Paint - Sempon Gold Paint by iARTSociety
   My signature gold paint, these are specially hand created by me for mimicking the Tanjore 24K gold foil.

6. Pigma Pens https://link.amazon/B09FiCajB
   Brush pens with high archival quality, use these for black outline work.
